

# KIDS FOOD DRIVE CHALLENGE

Thank you so much for helping out with our Food Drive! You are making a big difference for families right here in Chesterfield. Every can, box, and dollar you raise helps provide meals to people who really need it.

# Helping Hands in Chesterfield

In Chesterfield County, there are many families, just like yours, who live, work, and go to school. But sometimes, families face tough times and don't have enough food to eat.

That's where the Chesterfield Food Bank Outreach Center steps in. In 2023, they provided over 2.7 million pounds of food to neighbors in need. That's a lot of meals for people right here in our community! But they can't do it alone. They need helpers—and that's where you come in.

When you hold a food drive, you're collecting cans, boxes, and other food items to share with families who need them. Every item you collect goes to someone in Chesterfield who might be hungry.

Even small actions can make a big difference. You can decorate a collection box and place it in your neighborhood or school. Or you could ask friends and family to donate non-perishable food items. Or how about you create posters or flyers to spread the word about your food drive?

By working together, we can ensure that every family in Chesterfield has food on their table. Your efforts bring hope and nourishment to our community.

Thank you for being a helper!
